ed the Avondale catastrophe. Gustave Dore spent three weeks in London, and made over five hundred sketches of life in the English capital,

mainly among the humbler classes. A banquet was given at Delmonico's Tuesday evening in honor of the Harvard crew. They have accepted the hospitalities of the City of Boston.

The orange groves on the St. John's River, Florida, are said to be more fruitful than for ten years previously.

The coolest place in London is the reading room of the British Museum, which, strange to say, is cooled by steam.

The Avondale relief fund in Philadelphia amounts to over \$200,000, The Riching's concert in behalf of the sufferers netted \$779.15.
